Wimboro Galasakti Prabowo

HSE Officer | Occupational Safety & Health Specialist (Oil & Gas, Marine Construction, EPC)

Semarang, Indonesia (Open to Relocation) | +62 822 3402 7884 | wimboro@gmail.com
LinkedIn: linkedin.com/in/wimboro | Portfolio: wimboro.is-a.dev

PROFESSIONAL SUMMARY

Occupational Safety and Health practitioner with nine years of site supervision across onshore oil and gas drilling, marine civil construction, port development, dredging, 500 kV transmission inspection, and coal-fired power plants. Most recently served as HSE Officer on the 1,500 HP PDSI #09.2/N80UE onshore drilling rig at PT Pertamina Drilling Services Indonesia through September 2026.

Hands-on with HIRARC, Job Safety Analysis (JSA), Safe Work Permit systems (PTW/SIKA), Contractor Safety Management System (CSMS), incident investigation, emergency drills, and UKL-UPL environmental reporting. Holds an active Kemnaker RI Ahli K3 Umum (AK3U) card (valid to May 2028), BNSP Operator K3 Migas (valid to December 2027), Pertamina SIKA Performing Authority certificate (valid to April 2029), and passed BNSP Authorized Gas Tester (October 2026) and Kemnaker Petugas P3K (June 2026) assessments.

WORK EXPERIENCE

HSE Officer
April 2026 - September 2026

PT Pertamina Drilling Services Indonesia (PDSI) | Rig Operation III (1,500 HP Onshore Rig PDSI #09.2/N80UE), West Java

- Supervised daily HSE compliance on the 1,500 HP PDSI #09.2/N80UE onshore drilling rig under PDSI procedures, Corporate Life Saving Rules (CLSR), and Indonesian oil and gas safety regulations.
- Administered and verified the Safe Work Permit system (Sistem Izin Kerja Selamat / SIKA) for hot work, confined space entry, working at height, lifting, and energy isolation (LOTO), checking supporting JSA and gas test readiness before work authorization.
- Reviewed and updated HIRARC registers and Job Safety Analysis (JSA) sheets with drilling crews prior to critical rig and maintenance operations.
- Conducted daily rig-floor and work-area inspections, checked PPE compliance and emergency equipment readiness, and tracked corrective actions for safety deviations.
- Delivered safety inductions, pre-shift toolbox talks, and required briefings for rig crews, contractors, and visitors.
- Investigated incidents and near misses, documented root causes, tracked corrective actions with the Rig HSE Coordinator, and compiled HSE performance reports.

Safety Supervisor
February 2024 - November 2025

Penta-Ocean Construction Co., Ltd. | Patimban Port Development Project Package 6 (PTRPWJ Consortium), Subang, West Java

- Monitored Penta-Ocean Safety Management System execution across Container Terminal No. 02 works (419 m wharf extension, 27 ha reclamation, -14 m dredging) within the PTRPWJ Consortium.
- Verified daily HSE compliance among direct field personnel and subcontractors operating heavy marine and civil equipment across active work fronts.
- Walked work areas daily, logged unsafe acts and conditions in the Daily Observation Register, and followed up with area supervisors on hazard closeout.
- Delivered site safety talks, pre-work briefings, and formal HSE inductions for incoming workers, subcontractor crews, and visitors.

Supervisor HSE
December 2023 - February 2024

PT Superintending Company of Indonesia (SUCOFINDO) | Industrial Technical Inspection Division (PT PLN PUSMANPRO Project), Jakarta & Java Corridor

- Verified adherence to HSE regulations, corporate policies, work procedures, and visual safety management for teams inspecting 500 kV SUTET Tanjung Jati - Cibatu transmission towers under the PT PLN PUSMANPRO contract.
- Prepared and updated workplace HIRARC assessments covering working at height and electrical clearance hazards.
- Ran safety inductions for newly assigned project supervisors and conducted routine and non-routine safety patrols.
- Checked emergency equipment in offices and mess quarters, monitored PPE stock and condition, verified area emergency drills, and prepared HSE and accident investigation reports.

SHE-Q Coordinator
October 2022 - November 2023

PT Timur Samudra Sejahtera (TSS) | SHE-Q Department, Jakarta & Marine Construction Sites

- Reviewed monthly project SHE program realization for the SHEQ Manager and helped compile the annual corporate SHE program.
- Coordinated SHE compliance with project teams and subcontractors against client specifications, marine construction safety codes, and Indonesian statutory regulations.
- Supported compliance reviews and general risk assessments, advising project management on site SHE issues and legal requirements.
- Audited registers and Permit-to-Work (PTW) records for lifting equipment, lifting accessories, confined space entry, hot work, and Lockout/Tagout (LOTO).
- Reviewed site emergency response plans for distribution across work areas, maintained SHE logs and statistics, joined incident root cause analyses, and delivered SHE training.

PT Timur Bahari **September 2017 - October 2022**

SHE-Q Department, Jakarta & Marine Dredging / Power Plant Project Sites

SHE Site Coordinator **May 2020 - October 2022**

- Directed on-site SHE Management System execution across marine construction and dredging contracts; proposed monthly and annual SHE programs and reported monthly progress.
- Supported compliance reviews and site risk assessments, advised management on SHE obligations, and prepared UKL-UPL environmental monitoring reports for clients.

SHE Officer **March 2018 - May 2020**

- Monitored daily SHE Management System execution, covered site lead duties in the SHE Coordinator's absence, and maintained lifting, confined space, hot work, and LOTO permit registers.

Safety Supervisor **September 2017 - March 2018**

- Applied SHE standards for dredging and submarine GRP pipe installation crews, conducted daily site walks, and logged observations in the Daily Observation Register.

SELECTED MAJOR PROJECTS

PDSI Onshore Rig #09.2/N80UE (1,500 HP) **Apr 2026 - Sep 2026**

PT Pertamina Drilling Services Indonesia (Rig Operation III). Onshore drilling HSE supervision, SIKA, and HIRARC/JSA.

Patimban Port Development, Package 6 (Container Terminal No. 02) **Feb 2024 - Nov 2025**

PTRPWJ Consortium (Penta-Ocean, Toyo, Rinkai, PP, Wika, Jaya Konstruksi). Wharf (419 m), reclamation (27 ha), dredging (-14 m).

SUTET 500 kV Tower Assessment (Tanjung Jati - Cibatu) **Dec 2023 - Feb 2024**

PT PLN PUSMANPRO via PT SUCOFINDO. Field HSE supervision for extra-high-voltage tower condition assessment.

PLTU Batang 2x1000 MW Coal Power Plant **Jan 2021 - Oct 2023; Sep 2017 - Jan 2018**

Wakachiku / Mitsui Engineering and Shipbuilding (MES); Client: PT Bhimasena Power Indonesia. Intake/outfall GRP pipe, backfilling, jetty dredging.

Patimban Port Construction, Package 2 (New Breakwater) **Jan 2020 - Jan 2021**

TAW-JV (Toyo-Adhi-Wakachiku); Client: Directorate General of Sea Transportation. Breakwater marine construction.

Port of Benoa & Port of Tanjung Emas Dredging **Jan 2018 - Jan 2020**

Van Oord (Benoa jetty basin, 2019 - 2020) and Boskalis (Tanjung Emas Pelabuhan Dalam, 2018 - 2019); Client: PT Pelabuhan Indonesia III.

PLTU Tanjung Jati B, Units 5 and 6 **Jan 2018 - Dec 2018**

Mitsui Engineering and Shipbuilding (MES); Client: PT Bumi Jati Power. Cooling-water intake and outfall GRP pipe installation.

CERTIFICATIONS AND LICENSES

Occupational Safety and Health Expert (Ahli K3 Umum / AK3U) | Kemnaker RI | Active Card May 2025 - May 2028, No. 0167050525/Q-AK3U/31/V/2025; Initial Cert. Oct 2016, No. Reg. 34099/PK3/AJ/33/2016/P0

Safe Work Permit System (SIKA - Performing Authority) | PT Pertamina EP HSSE Regional 2 | Valid Apr 2026 - Apr 2029, No. 08433/Cert-SIKA/PEP04100/2025

Oil and Gas OHS Operator (Operator K3 Migas) | BNSP, LSP PPSDM Migas Cepu | Valid Dec 2023 - Dec 2027, No. 06001 3257 3 0004269 2023

Authorized Gas Tester (AGT) | BNSP, LSP K3 Nasional | Competency Passed Oct 2026, SKT.01/17217/LSP-K3N/X/2026, certificate in issuance

First Aider (Petugas P3K di Tempat Kerja) | Kemnaker RI via PT Global Saftindo | Passed Jun 2026, ADM/SKT/001/VI/2026, license card in issuance

ISO 9001:2015, ISO 14001:2015, ISO 45001:2018 & SMK3 Requirements | PT Lintas Solusi Prima | Jan 2022, No. 003/Dir-LSP/CT/I/2022

Face-to-Face Training Instructor (Metodologi Pelatihan) | BNSP, LSP Instruktur Kompeten Indonesia | Issued Sep 2019, No. 80910 2440 4 00010281 2019

EDUCATION

Politeknik Perkapalan Negeri Surabaya (PPNS) | Surabaya, Indonesia **August 2013 - August 2017**

Diploma IV (D4 / S.ST.) in Occupational Safety and Health Engineering (Teknik Keselamatan dan Kesehatan Kerja)

- GPA: 3.42 / 4.00 (Diploma issued September 2017). Member, HIMATEK K3 PPNS Information & Communication Division (2013 - 2014).
- Final Project: Preliminary Hazard Analysis (PHA) on Workshops/Laboratories and UPT K3 Accident Reporting System at PPNS.

CORE COMPETENCIES

HSE Practice & Risk Control: HIRARC, Job Safety Analysis (JSA), PHA, Permit to Work (PTW/SIKA), LOTO, Confined Space Entry, Hot Work, Working at Height, Lifting Equipment Inspection, Incident Investigation, Root Cause Analysis (RCA), Emergency Drills, Daily Observation Register, PPE Control

Standards & Compliance: ISO 9001:2015, ISO 14001:2015, ISO 45001:2018, SMK3 (PP No. 50/2012), Contractor Safety Management System (CSMS), Corporate Life Saving Rules (CLSR), UKL-UPL Environmental Reporting, Indonesian K3 and Migas Regulations

Sectors & Tools: Onshore Oil and Gas Drilling, Marine Construction and Dredging, Port Infrastructure, Coal Power Plants, 500 kV Transmission Inspection, HSE Inductions and Toolbox Talks, Microsoft Word and Excel

AWARD AND LANGUAGES

Award: P2Covid Award (2021), workplace COVID-19 OHS protocol implementation. | Languages: Indonesian (Native), English (Professional Working Proficiency).
